Professional Summary

Final year B.Tech Information Technology student with a strong foundation in Java, Python, SQL, Data Structures & Algorithms, and Object Oriented Programming. Experienced in developing technology driven projects and working with SQL, Excel, web technologies, and MongoDB. Strong problem solving, communication, team collaboration, and adaptability skills, with a willingness to learn new technologies and contribute effectively as a Developer.

Internship

Data Analytics Intern (Excel, SQL), IDM Tech Park

06/2025 – 07/2025

- Performed data cleaning and analysis using Excel and SQL.
- Generated reports and extracted insights to support business decision-making.

Erode

UI/UX, UCS syscoms

- Designed Interactive user Interfaces
- Creating new UI designs and layouts in real world Applications

Education

B.Tech Information Technology, Nandha College of Technology

2023 – 2027

CGPA: 7.57

Perundurai, Erode

HSC, Karunya Vidhya Bhavan Matriculation Higher Secondary School

06/2022 – 04/2023

Percentage: 75%

Perundurai, Erode

Technical Skills

Programming

Java, Python

Database

SQL, MongoDB

Tools

Git, GitHub, Microsoft Excel

Web

HTML, CSS, JavaScript

Core

- Data Structures & Algorithms
- Object Oriented Programming (OOP)
- Data Analytics
- Problem Solving

Certifications

- NPTEL Cryptography & Network Security
- HackerRank SQL
- HackerRank Python

Projects

Transport Service Management Website, Personal Project

Developed a Transport Service Management Website that streamlines customer request submission, request tracking, and administrative management using HTML, CSS, JavaScript, and MongoDB.

Driver Behavior Monitoring System

- Developed an AI-based system to detect unsafe driving behaviour.
- Uses intelligent monitoring to improve road safety and generate alerts.

Alcohol Detection in Automobiles using IoT

- Developed an IoT-based vehicle safety system.
- Detects alcohol levels and prevents vehicle ignition when alcohol is detected.

Soft Skills

- Problem Solving
- Analytical Thinking
- Adaptability
- Communication
- Team Collaboration
- Attention to Detail
